

WIREFLESS

Internet Access

FOR MTC STUDENTS WHO HAVE A WIRELESS LAPTOP

To connect:

1. Select the MTC_STUDENT wireless network from the "Available Networks" list on your laptop's wireless connection screen
2. Open Internet Explorer
3. Read the On-Screen User Agreement
4. Login using your MTC student e-mail login and password

Wireless Access is offered at no cost to registered MTC students. This service is on a "best efforts" basis, and does not include any printer access. The Academic Computer Lab (TEC Room 193) is available for students who need to complete assignments, help connecting to the wireless Internet access, print reports, and so forth.
