

MTC offers courses in these formats: in-person, blended, and online. This semester in-person courses will follow social distancing measures of 6 feet spacing and required face coverings.

COURSE FORMATS

- A. In-person (face-to-face)**
This can include lecture or lab courses that meet on campus.

1. Course sections have a designated building and room number. **Example: BR 134, HTC 103, LC 131**
2. Course sections have a designated day and time. **Example: Mon/Weds 9:30AM – 11:00AM**

- B. Blended (hybrid)**
Classes meet partially in-person and partially online.

1. In-person course sections will show a designated building and room number. **Example: BR 134, HTC 103, LC 131**
2. Course sections will have a designated time. **Example: Tues 11:00AM – 12:30PM; additional work is completed online**

- C. Online courses that meet at a set time each week.**
This type of course is commonly referred to as **Synchronous**. The instructor broadcasts a lecture at set times each week; students are expected to access the class session at that set time. This format provides a way to mimic an in-person class & enables some real-time interaction between the instructors and students.

1. Room will show as **SYNCON** (Synchronous Online)
2. Course section will have a designated time. **Example: Mon/Weds 6:00PM – 7:30PM**

Synchronous Online Example

Pharmacology for Allied Health ALH1160/Lecture/61	8/24/1010 - 12/12/2020	2020 Fall Main	2.00	Tuesday Blended 3:30 PM-4:50 PM; Marion Technical College, Synchronous Online, Room
Smith, Peggy Butler, Jamie				

Course listing may appear slightly different when viewed online.

- D. Online courses that do not meet at a set time.**
This type of course is commonly referred to as **Asynchronous**. Students work on course material at their own times; there is no requirement to access a class session at a given time.

1. Room will show as **ONLINE**
2. Course section time will show as an early morning time with a 1-minute interval. **Example: 2:51 – 2:52, 2:01 – 2:02**

Asynchronous Online Example

Financial Accounting ACC1400/Lecture/50	8/24/1010- 12/12/2020	2020 Fall Main	4.00	Online 2:01 AM - 2:02 AM; Marion Technical College, ONLINE, Room
Holbrook, Douglas
