Average Salary in 2024* MTC Graduates working for an Ohio Employer	\$59,211	\$70,871	--	---

*Based on ODJFS Wage Match report. The average annual salary is based on graduates who worked for an Ohio Employer at least 40 weeks in calendar year 2024. More recent graduates, who are just starting their positions, are likely to earn less than graduates who have been working for a number of years.

Graduation years are for summer, fall, and spring in the year ending in spring. For example, 2022 graduates earned their degree in summer 21, fall 21, or spring 22.

Graduate earnings are based on a wage match process from the Ohio Department of Job and Family Services. The number of hours worked is not included in the data.
